“ I found the language classes to be informative and fun. It's taken off a lot of pressure regarding the Leaving Cert. The notes we received covered all topics clearly. I loved the activities, especially the surfing! The instructors were always friendly and helpful. It was great! ”

“ The facilities were excellent. The beds were comfortable. The orange room is brill! It's a place you can go to and relax. The food was delicious. I'm very impressed with the German notes we got. The programme was the best I've ever been to. ”
